

New Scholars Committee

3-Minute Thesis Video Competition

Call for Videos

The New Scholars Committee is inviting 3-minute video submissions from all current CIES graduate students and those who have graduated within the past 2 years.

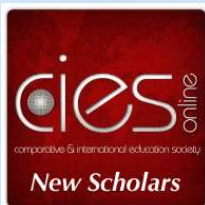

These short online videos are intended to present research by CIES scholars more directly to interested individuals worldwide, such as policy makers, practitioners, educators, and community

members, who are pressed for time. It also benefits scholars who seek to increase the impact of their research at an affordable and global scale.

All submitted videos will be posted on our [NSC website](#), [Facebook](#), and [Twitter](#) accounts, and culminate in a selection of three top videos. A travel grant will be awarded to the scholars with the top three videos, so that they can present their research at the 2017 CIES conference in Atlanta, USA.
